In the Matter Between

The People (Represented by John Smith)

**Claimant**

and

Suella Braverman (Acting as The Attorney General, Rt. Hon. QC MP)

**Defendant**

Court Clerk,

We the people write to confirm that Marve Campbell at the Issues and Enquiries Section, Queens Bench Division, ROYAL COURTS OF JUSTICE GROUP has refused to comply with our requirement (see attached letter) and to accept our claim form.

We the people required Suella Braverman to settle the outstanding sum due, in full and immediately and that we also require confirmation form the Defendant that the previously issued European Arrest Warrant against Lynda Thyer has been voided.

In the event that the Defendant wishes to dispute this issue we were happy to attend a hearing for clarification purposes only.

We the people now require that this issue be dealt with as a matter of urgency, given the failing health of Lynda Thyer, the fact that she had been kidnapped and is also being unlawfully detained.

For your attention, please find enclosed a copy of the paperwork that was lodged in this matter.

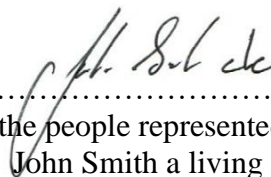

In relation to the grounds for refusing to accept this claim, two of the three issues that were given for failing to accept this case have already been dealt with:

1. The Particulars of Claim have been identified at the attached paperwork, a Lawful Notice, an Affidavit and Royal Proclamations.
2. The required three copies were also forwarded.

This leaves the one remaining issue for refusal to accept the claim form, that of the payment of fees.

In relation to this issue, we write to confirm that the people have already paid for the setup of the judicial system and the associated registered companies. The CPR rules are not applicable to the people (living men and women) this also includes the payment of court fees.

Should the court wish to pursue this matter, they would be guilty of criminal coercion, fraud, obtaining money through deception and breaching the Slavery Act 2015.
