Case Docket No. CLC/BB/001/2022: Crimes against the people of éIRE.

Dated: 08th July 2022

Common Law Courts Great Britain & International

This case was heard 08th July 2022.

As part of the Claimants case, the following positions were accepted and established as **facts in law**, copies of the certificates were also lodged as evidence.

1. A Common Law Court Birth Certificate for :Antonio:Mureddu had been obtained, confirming his standing as a living man, under the jurisdiction of the Common Law Court.
2. A Business Ownership Certificate for the Fictious Name (MR ANTONIO MUREDDU) had been obtained by Antonio-Maria (the living man), confirming not only his ownership of this but that it also fell under the jurisdiction of the Common Law Court.

In relation to the Claimants case, :Antonio-Maria:Mureddu first read the following Declaration of the Common Law Court, this confirmed the standing of all living men and women under its authority.

Declaration of the Common Law Court

3rd January 2019

To all living men and women, we hereby stand united and submit this declaration to the Common Law Court 'Book of Deeds' for preservation for all time.

We the people have inherent birth rights, established by our creator, which protect us from harm, loss and injury from others. For many years now, men and women have been subjected to criminal and fraudulent behaviour by the state's actions which have been imposed upon us, against our will, by both criminal coercion and legal deception. Fear and fiction have thus combined to bind us into slavery.

The state has committed attacks, injustices, killings, robberies, theft, unlawful imprisonment and countless other enormous outrages against the people, sparing no one on account of age, sex or position. To this robbery, slaughter and plunder they give the lying name of "Government", they have stripped us of our ancient freedoms and call it "progress".

Common Law Courts Great Britain & International

We, the people, can no longer endure such assaults on our loved ones and personal freedoms and hereby confirm our inherent right to stand under the jurisdiction of the Common Law. Based, as it is, on the timeless laws which govern the conduct of men and were established by our creator in days of old and remembered and loved by our fathers as they built our nations. We will hold to this without ceasing for any man.

Borrowing from the declaration of our ancestors, made in Arbroath in 1320, we declare that, as long as but a hundred of us remain alive, never will we on any conditions be brought under mandatory rule by legal statute. It is in truth not for glory, nor riches, nor honours that we are fighting, but for freedom – for that alone, which no honest man gives up but with life itself.

This declaration is signed below by a sample of the men and women who stand united under the jurisdiction of the Common Law Court. This declaration is hereby recorded in to the Common Law Court 'Book of Deeds' on the 3rd January 2019 for preservation for all time.

On behalf of the people, :Antonio-Maria:Mureddu then presented his Statement of Claim, which consisted of details of the dispute, the alleged wrongs and the remedy sought.

The Dispute

In relation to the dispute, the charges issued against the Defendants have been raised because of their criminal, fraudulent and unlawful behaviour.

It was stated that the Defendants were guilty of targeting the Claimants and his personal property (private conveyance) to cause him harm, financial loss, and physical injury. It was pointed out that the Defendants, as with all men and women were subject to common law and are held accountable for his/her actions in his/her personal and private capacity.

Alleged Wrong

The Defendants while committing crimes against the people have caused them harm, loss, and injury.

1. It had been confirmed that the Defendants were knowingly binding the people into slavery through the use of criminal coercion (attaching a legal entity/fiction to a living man/woman without their knowledge and consent).

Common Law Courts Great Britain & International

The Claimant spoke at length to explain the following:

Within the statutory system, when a child is born, the parents are required to complete a birth entry, for which they will receive a birth certificate.

When the birth entry has been made the state create a legal entity/fiction which they attach to the child and for the rest of their life, the government/state use this to conduct business with them.

It was pointed out that unless the people had made a declaration of their birth with the Common Law Court, they do not exist as living men and women. There is no other form of ID available for living men and women unless it's confirmed by a lawful court.

The only ID available for confirming your standing were state documents, Driving Licence, Passport, Bank Card, Credit Card, National Insurance, and health cards etc. Unfortunately, these forms of ID only refer to the legal entity/fiction and not the living man or woman.

2. The Defendants were using statutory laws to target living men and women.

Once the legal entity/fiction has been accepted by a living man or woman, they are then bound by statutory rules. To put it another way, once you accept their slave name (e.g. MR ANTONIO MUREDDU) you are bound by their rules.

The excuse used to justify their fraud is that once you accept their legal entity/fiction you become a citizen within their society.

It was then pointed out that the title citizen is a legal title (confirming you are a slave), the term society is also a legal term confirming that you are bound by state rules and the privileges that you are given, which all come at a cost. It should be remembered that you are already entitled to these privileges as a birth right, however the government/state do not make any money unless they get to charge for them.

3. The Defendants have abused the people unlawfully as they have instigated various crimes against the people of the land of éIRE, causing harm, loss and injury while using statutory legislation.

The government/state use the legal entity/fiction to enforce so called laws against living men and women. These so-called laws are not laws, as for them to become a law you have to consent to them.

Common Law Courts Great Britain & International

4. Despite the fact that living men and women have the right to travel freely on the highway, the Defendants are intimidating, interfering with the right to travel, abusing the use of force to trespass on private property, kidnapping and seize property belonging to living man, :Antonio-Maria:Mureddu.
5. The Defendants are enforcing statutory laws and abusing their power and authority, to trespass of private property belonging to a living man, causing him harm, loss and injury.

In relation to this issue, the Claimant referred to documents which were submitted as evidence, the documents were the following:

- a) A letter received from Solicitor stating the assault occurred while being held in Garda custody
- b) Medical report from Emergency Department, University Hospital, Limerick hospital detailing injuries received while in custody
- c) Several documents of interaction between the Claimant and the Defendants in relation to this incident.

The United Nations Universal Declaration of Human Rights 1948

Article 4

No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms.

Article 5

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 7

All are equal before the law and are entitled without any discrimination to equal protection of the law. All are entitled to equal protection against any discrimination in violation of this Declaration and against any incitement to such discrimination.

Common Law Courts Great Britain & International

Article 12

No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 13

- 1. Everyone has the right to freedom of movement and residence within the borders of each State.*
- 2. Everyone has the right to leave any country, including his own, and to return to his country.*

Article 20

- 2. No one may be compelled to belong to an association.*

This confirms that the Defendants are guilty of failing to comply with this Declaration, they are guilty of binding the people into slavery and are guilty of causing harm, loss, and injury as a result.

6. The Defendants are guilty of causing harm, loss, and injury to the Claimant through the enforcement of unlawful legislation and kidnap of living man.

The use of statutory legislation is criminal, it is not lawful and despite the Defendants insistence, it is not law. For this legislation to carry the force of law it requires consent.

By enforcing this legislation, the Defendants are binding the people into slavery, they are ruining the economy, running a police state, and causing harm, loss, and injury to the people.

7. The Defendants are guilty of causing harm, loss, and injury to :Antonio-Maria:Mureddu through the kidnap of a living man, physical and psychological abuse and the theft of private property.

The statutory legislation is used to assist with binding the people into slavery.

8. The Defendants are guilty of failing to acknowledge, to comply with or respect the authority of the people.

The state, government and statutory authorities receive their authority from the people,

Common Law Courts Great Britain & International

this fact has been established.

The position of living men and women have also been established with the declarations submitted to the Common Law Court.

By refusing to acknowledge the position of living men and women, the Defendants are binding the people into slavery.

The Defendants have established a police state which they are using to cause harm, loss, and injury.

In relation to the Statement of Claim and the supporting evidence presented this day by :Antonio-Maria:Mureddu on behalf of the people, we the Jury, consisting of twelve reasonably minded men and women and having considered all the evidence presented at this hearing, issue the following orders:

1. We the Jury issue an order which confirms that the Defendants are guilty and have acted unlawfully and criminally in relation to the following crimes:

The legal fictions (Fictitious Names) ownership has been established through the Common Law Court, the business ownership certificates are court issued deeds and are established as a FACT IN LAW. The Claimant had already been established this fact by referring to a trial in Paisley Sheriff Court (Case Ref. PA18004245) and at a previous Common Law Court hearing.

Uttering

The Defendants are guilty of the crime uttering, of knowingly using forged and/or counterfeit documents to defraud. This includes the use of unlawful court orders, legislation, warrants and the legal fiction.

Note: The Declaration of the Common Law Court

‘We the people have inherent birth rights, established by our creator, which protect us from harm, loss and injury from others.’

Fraud

The Defendants are guilty of the deliberate deception used to obtain an unlawful gain, this is applicable to the use of the legal fiction and the issues of authority and jurisdiction which had been taken, but not established.

Note

The Universal Declaration of Human Rights 1948

Article 4

Common Law Courts Great Britain & International

Note:

The Declaration of the Common Law Court

'For many years now, men and women have been subjected to criminal and fraudulent behaviour by the state's actions which have been imposed upon us, against our will, by both criminal coercion and legal deception. Fear and fiction have thus combined to bind us into slavery.'

The Defendants cannot hide behind the statutory system while being paid by the people.

Refusal to comply with statutory legislation

The Defendants are guilty of Malfeasance.

The Defendants work for corporations that have no authority over living men and living woman.

In proceeding with the statutory legislation and enforcement, the Defendant has failed to identify the parties involved, living men/women or legal fictions. NO IDENTIFIED PARTIES, NO AUTHORITY AND NO JURISDICTION.

Note:

Contract Law

Common Law Courts Great Britain & International

The information above confirms that the Defendants are guilty of failing to comply with the above charter and in doing so have endangered their countries position as a signatories.
