Notice

COUNCIL EMPLOYEE NAME HERE or CEO,

Any reference in this lawful document to “You”, “Your”, refers to the business **YOUR COUNCIL NAME HERE** D-U-N-S® Number: **000000000**. Notice to agent is notice to principal, notice to principal is notice to agent.

Any reference in this legal document to “we”, “our”, “us”, refers to the living man, **NAME ONE HERE**, and the living woman, **NAME TWO HERE**. Note we are not a defendant, respondent, person, occupier or resident and do not live in a dwelling.

Common Law Court registration numbers **BC / 00 / 00000** & **BC / 00 / 00000** confirm we are a living man and a living woman. In future correspondence, please do not use any titles to address us, including “MR” and “MRS” etc. We do not hold any such titles. We are a living man, and a living woman, and neither are, nor operate as a dead fiction.

Common Law Court registration numbers **FN / 00 / 00000** & **FN / 00 / 00000** confirm we own the fictitious/legal entity names, **ALL CAPITAL NAME 1 HERE & ALL CAPITAL NAME 2 HERE**. If you wish to do business with us, you will incur a charge of Five hundred GBP, £500, for any use of our legal fiction. See a copy of “Fee Schedule” attached that has additional charges. You do not have our permission to use any part of the fictitious/legal entity names or try to unlawfully attach it to us.

You are informed that all meanings in this, and of our communications are taken from the Oxford English Dictionary, not to be confused with legalese, nor any other language of any secret society, including the Law Society, the Bar, the Royal Courts of Justice, Courts of England and Wales, Freemasons, or any foreign language. We are a living man and living woman speaking simple English and not to be taken in any other way or meaning.

We stand under the Declaration of the Common Law Court 2019 (see attached). The document establishes the sovereignty of living men and living women from birth, throughout the world. We are all born equal, sovereign and not a slave in any form to any man/woman or Corporation.

Our position in this communication is that of living men and living women standing under Gods law, also known as the creator's law, natural law, universal law, common law and operating outside and above the jurisdiction of all statutory rules and all man-made legislation. We do not work for any state department or the Crown or operate under a licence as we do not require permission from another man or woman to run our lives peacefully.

We have never refused to pay any lawful debt and just require answers for the previous questions that we raised in a 'Notice' sent to you dated **ADD DATE**.

You have not rebutted the fact that we are a living man and a living woman. What authority do you have to prosecute a living man and a living woman? We are not 'residents' and our private property is not a dwelling or commercial property. 'Law' is defined as between two living parties and is a higher jurisdiction than Legal. Legal applies to public servants, corporations and persons. Legislation is there to govern corporations, corporate bodies, councils and public servants, not living men and living women standing sovereign under God.

The Clearfield Doctrine clearly states:

When governments enter the world of commerce, they are subject to the same burdens as any private firm or corporation U.S v Burr 309 U.S 22. See 22, U.S CA 286 e Bank of US v Planters Bank of Georgia 6L Ed (Wheat 244). "when private commercial paper is used by corporate government, then government loses its sovereignty status and becomes no different than a mere private corporation".

A 'COURT ORDER' was issued on 08 April 2018 by a Jury of twelve peers in a Common Law Court. The verdict of the Jury was, 'The Annulment of Existing Council Tax Legislation'. Making Council Tax unlawful and an offence for any man or woman to collect payments for Council Tax. Any individual who unlawfully tries to collect such payments will be held personally liable in their personal and private capacity.

Government create and enforce CIVIL LAWS known as statutes, acts and legislation created by the Bar Association – set up by Rothschild – and which are duty bound to comply with the LAW of CONTRACTS. The Law of Contracts requires signed written agreements by both parties and complete transparency!

Note, we have no contract between us and **YOUR COUNCIL NAME HERE**, this is a fact in law. You have no warrant of control because you do not have a contract with us. You do not have the authority to take our goods which means your 'SUMMONS' is a fraudulent misrepresentation. This is contempt of court.

We draw your attention to the following breaches you have made when you sent an alleged 'MAGISTRATE COURT SUMMONS'. Your alleged 'SUMMONS' has no name or signature of the clerk of a Magistrates' Court and has not been issued from a Magistrates Court. You do not have the authority to summon any living man or living woman to court. Therefore you have breached:

- **The Magistrates' Courts Rules 1981' section 98**
- **Perjury Act 1911 section 5**

You are not a judicial court of law and are not following due process of law. How can you issue a summons? You are aiding and abetting **YOUR COUNCIL NAME HERE** to demand money. You are misleading the public by acting as a 'Court' and are knowingly assisting **YOUR COUNCIL NAME HERE** by producing your own documents and misrepresenting them as if coming from a Magistrates Court. It is common knowledge that Councils use an HMCTS crest on a 'Notice' that is not dated, does not have any names on it and not attached to an alleged summons. This is a huge abuse of process and breaches the following:

- **Local Government Act 1888 section 78**
- **County Courts Act 1984, Chapter 28, Part IX section 135**
- **Forgeries Act 1913 ~ Definition of forgery ~ part 1**
- **Fraud Act 2006 section 1, 2, 4, 5, 6, 7, 8, 9, 11, 12**
- **Misrepresentation Act 1967, Chapter 7 section 2**
- **Serious Crime Act 2007 ~ Part 2 section 44, 45, 46**
- **Accessories and Abettors Act 1861 section 8**
- **Criminal Justice and Courts Act 2015, Chapter 2, Part 1 section 32**

You have allegedly applied for a 'Liability Order' for an alleged 'Council Tax'. The form is no longer issued by any Magistrates Court. To give the impression a form for a 'Liability Order' for 'Council Tax' exists is fraud and extortion used to obtain money. Therefore you have breached:

- **The Council Tax (Administration & Enforcement) (Amendment) (No.2) (England) Regulations 2003**

Because slavery is illegal & unlawful and because there is no legal or lawful provision to charge Council Tax on living men and living women, the actions of charging Council Tax are a violation of primary legislation, secondary legislation and is unlawful. Anyone who tries to impose a said fine on a living man or living woman would be guilty under the 'Modern Slavery Act 2015'. If men and women in any Council, or any Magistrate, tries to do something to make anyone a slave, or commits 'fraud' or 'perjury' on anyone, the court has grounds for dismissal of the case. Fraud destroys all it touches. Because **YOUR COUNCIL NAME HERE** receive payment for 'Council Tax', this is a benefit to **YOUR COUNCIL NAME HERE**. **YOUR COUNCIL NAME HERE** have no right to demand money, but still use deception, threats and unlawful force, to receive such payment. This means exploitation has occurred and to forcibly exploit any living man or living woman is to subject them to slavery. Therefore you have breached:

- **Modern Slavery Act 2015, chapter 30, part 1 section 3**

As a direct consequence of your actions of harassment, you are causing harm, anxiety, stress and distress. You unlawfully force living men and living women to pay Council Tax and because of your threats they live in fear. You threaten to seize assets, force bankruptcy and take homes. The fear you may use violence to force anyone from their home if they don't pay Council Tax is real. Therefore you are in breach of:

- **Administration of Justice Act 1970 ~ Part V section 40**
- **Protection from Harassment Act 1997 section 1, 2, 2A, 4.**

You have ignored questions, breached legislation, held back information, stepped outside the Law and have been acting Ultra vires.

You are now faced with the prospect of a Criminal Prosecution and will be held personally liable for any damages, including damages for violating our inherent and lawful God given rights. A statute can not remove our lawful rights.

You are also encroaching on our rights to religious freedom.

Any correspondence you have sent will be used as evidence against you.

We require you to acknowledge receipt of this document and respond within 28 days.

You may not claim ignorance of the law to excuse your behaviour. All are equal under the law and no one is above law.

None shall be put to answer without due Process of Law.

None shall be condemned without due Process of Law.

Without malice aforethought, ill will, vexation or frivolity,
