COURT ORDER

CONFIRMING THE VERDICT OF THE COURT

(Lis Pendens – 233 Talla Road, Hillington, Glasgow, G14)

Dated: 19th November 2017

In relation to the Statement of Claim presented this day, by Theresa Stirling (applicant), the Court issues the following lawful order.

The court is allowing the applicant to assert her lawful right under Common Law to have a lawful Deed recorded by the state.

It is a Common Law right for a woman to have a lawful Deed recorded in the Books of Council and Session. The state has so far removed that Common Law right, together with a failure to provide Public Interest evidence.

The attempt to remove this right may be a criminal offence under Common Law.

Common Law rights must be preserved rather than the state protecting vested interests; otherwise the state is protecting vested interests over the public interest.

This Court Order is effective as of this date, under the authority of this Common Law Court and jus gentium, the Law of Nations.

IT IS SO ORDERED THIS 19th DAY OF NOVEMBER 2017 AT 4 PM, GMT
