Dated: 19th November 2017

In relation to the Statement of Claim presented this day, by Robert White (applicant), the Court issues the following lawful order.

The court is allowing the applicant to assert his lawful right under Common Law to have a lawful Deed recorded by the state.

The attempt to remove this right may be a criminal offence under Common Law.

Common Law rights must be preserved rather than the state protecting vested interests; otherwise the state is protecting vested interests over the public interest.

This Court Order is effective as of this date, under the authority of this Common Law Court and jus gentium, the Law of Nations.
